BRIEF SUMMARY

I'm a final-year B.Tech student in Computer Science and Engineering with a strong interest in both DSA(Data Structures & Algorithms) and full-stack web development. I have a Pupil rating on Codeforces and a Knight rank on LeetCode, showing my solid problem-solving skills. I'm comfortable working on both front-end and back-end, and I enjoy building websites that are reliable and easy to use. I aim to create good-quality solutions that solve complex problems, and I'm excited to work on challenging and interesting projects.
